

Veteran anchor Leslie Roberts headlines Global News Hour Final's dynamic new format that uses a multimedia approach to give in-depth, interactive reports on the news stories that matter to the GTA.

Global News Hour Final is the only hour-long late night local news program in the GTA and the first to offer this multi-media platform!

New features of the multimedia platform include touch screens, twitter updates, live reports, and live chat with Global news personalities during the broadcast!

News Hour Final Rtg (%)
SP09 Projections vs. (w/o March 2)
Toronto DMA / BBM NMR Data

Audience levels for the reformatted, extended newscast are in-line with SP09 season-to-date and SP09 projections!
