

Gleeks rejoice, for your favourite high school show choir is returning! After taking Sectionals with ease the Glee crew has their sights set on a bigger prize, winning Regionals! But navigating the tough road to singing glory may be the least of the teens' concerns.

The moments you can't wait for are coming; the baby triangle between Finn, Quinn & Puck; the torrid teacher chemistry between Will & Emma; and the vengeful wrath of a humiliated Sue Sylvester will be center stage when Glee returns. Not to mention the special guest stars and **the music!**
